

Pasamos de los bocetos de baja fidelidad directamente al prototipado de alta fidelidad para ver como quedaría con todo conectado, el flujo correcto, las tipografías y las imágenes.

The screenshot shows a web-based order confirmation interface. At the top, there's a header with a logo, navigation links for 'Home' and 'Orders', a search bar, and user profile icons. The main content area features a large heading 'Order Confirmed!' followed by a message: 'Your order has been placed successfully. You will receive a notification when it's on its way.' Below this, there are three horizontal sections labeled 'Order Details'. The first section contains 'Order Number #123456789' and 'Restaurant Tacos El Compadre'. The second section lists 'Items 2 x Tacos al Pastor, 1 x Quesadilla' and 'Total \$15.50'. The third section shows 'Delivery Address 123 Main Street, Apt 4B, Anytown' and 'Estimated Delivery 30–45 minutes'. At the bottom right of the content area is a prominent orange button labeled 'View Order Status'.
